

YOUNGINGLEWOOD

Ours are wines of place, built from the soil up. On our small, family owned and operated estate in St. Helena, Napa Valley, we use attentive, thoughtful farming with organic and sustainable methods. With old world non-interventionist winemaking techniques we translate the estate's character into wines of balance and grace.

2013 ESTATE CABERNET SAUVIGNON

TASTING NOTE: The 2013 Young Inglewood Estate Cabernet Sauvignon is a classy wine, richly endowed with aromas and flavors. The scent of ripe blueberries and boysenberries accompanies subtle notes of char and spice. Smooth and supremely balanced, the wine caresses the palate with layers of plush fruit, earth and mocha. The alluring finish encourages further exploration.

WINEMAKING: Inspired by the left bank of Bordeaux and the classic Napa Valley Cabs of the '70s and '80s, our Estate Cabernet Sauvignon was hand harvested at night to take advantage of cooler temperatures. The clusters were destemmed and berries sorted before being gently crushed. Fermentation on skins, 2-3 punch downs daily and extended maceration were used for extraction, before pressing to barrel. The wine spent twenty-one months in 60% new French oak with only one racking during élevage.

VINEYARD: The Young Inglewood Vineyard is located on the benchland to the southwest of Saint Helena. Deep gravelly loam soils from alluvial deposits that fan out from the nearby Mayacamas provide excellent drainage and contribute to the wine's classic aromatic and flavor profile.

VINTAGE NOTES: Even conditions made the 2013 growing season close to ideal. A warm dry spring encouraged early bud break and flowering. Fruit set took place under sunny skies. Apart from one midsummer heat spike, temperatures were perfect for optimal vine activity. Our fruit ripened evenly and the quality was outstanding.

TECHNICAL TEAM

WINEMAKER: Scott Young
Jacky Young

VITICULTURAL ADVISOR: Steve Matthiasson

VINEYARD MANAGEMENT: Doug Hill

STATS

RELEASE: Sept 2016 **ELEVAGE:** 21 months
100% French oak
