

YOUNGINGLEWOOD

Ours are wines of place, built from the soil up. On our small, family owned and operated estate in St Helena, Napa Valley, we use attentive, thoughtful farming with organic and sustainable methods. With old world non-interventionist winemaking techniques we translate the estate's character into wines of balance and grace.

2013 RIGHT BANK BLEND

TASTING NOTE: The rich aromatics of this wine are an open invitation to savor its delights. Unique among our Right Bank Blend vintages, this bottling is 86% our Cabernet Franc, (think dark chocolate and earth), and 16% our Cabernet Sauvignon from barrels specially selected to contribute ripe black fruits, smooth tannins and a long sexy finish. You will love the combination of richness and elegance in this wine.

WINEMAKING: Young Inglewood hand harvests at night to take advantage of cooler temperatures. Individual berry sorting, ambient soak and a long native fermentation carried out by naturally occurring wild yeast all contribute to bringing out the nuances of the estate vineyard for a successful translation of terroir into wine. Twenty-one months in French oak and more than a year of bottle aging result in a wine that can be enjoyed in its youth or cellared.

VINEYARD: Young Inglewood Vineyards is located on the benchland to the south west of Saint Helena. Deep gravelly loam soils from alluvial deposits that fan out from the nearby Mayacamas provide excellent drainage and contribute to the wine's classic aromatic and flavor profile.

VINTAGE NOTES: Even conditions made the 2013 growing season close to ideal. A warm dry spring encouraged early bud break and flowering. Fruit set took place under sunny skies. Apart from one midsummer heat spike, temperatures were perfect for optimal vine activity. Our fruit ripened evenly and the quality was outstanding.
